

Fundraising Newsletter

Autumn 2008

Welcome to the new fundraising newsletter. This first edition of the newsletter will introduce you to the fundraising team, which is part of the parent-run Tavistock Preschool Committee and highlight events we have planned for 2008/2009.

The team would like to express their appreciation to the previous fundraisers and to all parents for their help and support in 2007/2008. We hope that you will continue to support our efforts this year. Last year saw local companies support our effort with prizes in the raffle. Any donations from companies are greatly received and if you are able, through your company, to donate prizes please let a member of the committee know.

The 08/09 fundraising team consists of:

Ilona & Mark Bryan	ilona.bryan@corpcommsh.co.uk
Claire Evans	sheeps7879@talktalk.net
Sue Booker	sue.booker@dsl.pipex.com

Please contact them if you have any fundraising ideas or are able to offer assistance at any organised event.

Forthcoming Events
