The 2010

RUN FOR COVER

At Tavistock pre-school, we believe outdoor play and learning are essential to children's development, health and well-being. Consequently, we maximise the children's opportunities to be outdoors, whatever the weather throws at us!

This year we are focussing our fundraising activities towards purchasing an all weather covering for the pre-school garden. This would provide rain cover for the outdoor play area and offer UV protection in summer.

The cost is circa **£4000** so we really need your support in achieving it – and every little will certainly help.

It would make such a difference to the children to have the option of some protection from the elements when they are outside. These sails are extremely hard wearing, so will benefit pupils for years to come.

So, on the 21st March 2010, we will be running the **Fleet 2010 Half Marathon** to raise money towards this.

The prospect of completing a half marathon is quite daunting for all of us, but we are determined to get round the course – even if some crawling towards the end is involved!

We have set up a Justgiving page: <http://www.justgiving.com/tavistockfleethalf> which is a quick, easy and totally secure way of sponsoring us. Alternatively, cash or cheque (made out to "Tavistock Pre-School Group") donations can be given to any one of us, or Paula at pre-school, or sent to:

Natalie Murray, 32 Hitches Lane, Crookham Village, Hampshire, GU51 5SW.

Many thanks,

Simon, Natalie, Esther, Nicky, Becky, Nick, Rachel & Simon
